

Dr. N.E. Roberts Elementary School Advisory Council (SAC)

2017-2018

It's time to join the School Advisory Council (SAC). The SAC is an advisory committee made up of parents, business and community members, teachers, and educational support employees that are representative of the ethnic, racial and economic community served by the school. A majority of the council (at least 51%) must be individuals who are not Polk County School Board Employees. One of the responsibilities of this committee is to monitor the School Improvement Plan (SIP) to ensure that all students at Dr. N.E. Roberts Elementary #1851 receive a high-quality standards-based education and make significant improvement toward mastering the Florida Standards. The School Advisory Council also provides recommendations regarding the use of School Improvement Funds and assist in the development of the school's annual budget. SAC meets 4-10 times annually and additionally as needed.

Our first SAC meeting will be August 22nd at 6:00pm in the Media Center.

Our PTO Meeting will follow immediately after at 6:30pm.

During this meeting we will be voting to elect our new leadership for the Student Advisory Council and Parent Teacher Organization. The vote will include Chairperson, Vice-Chairperson, and Secretary for SAC as well as the President, Vice-President, Secretary and Treasurer for the PTO. We value your input and participation in these important organizations.
